

MUSIC GROUP

Only eight people turned up, however, we do have good news, in as much that we now have 2 ladies in the group, so come on all you lady music lovers! We listen to all types of music and have a good range from classics to pop and have a great laugh too. **Tom Lennox** is taking a well-deserved rest and we have taken his suggestion to have the Chairperson run the Group for a 6-month stint. Tom now hands the baton to **Max Bowden**. We give our thanks to Tom for his efforts for the beginning of this group. This month was a difficult theme as it was **Winter**, which appeared to have the minimum appeal to writers. The next task will be somewhat easier and is for **9th August** – “Any Australian Music!”
